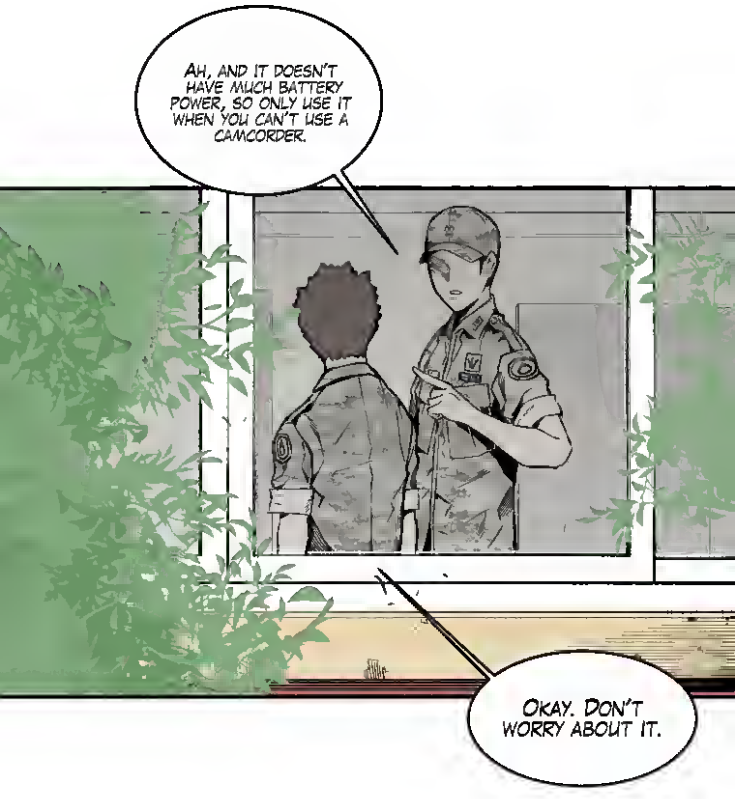
WHAT ARE YOU DOING?

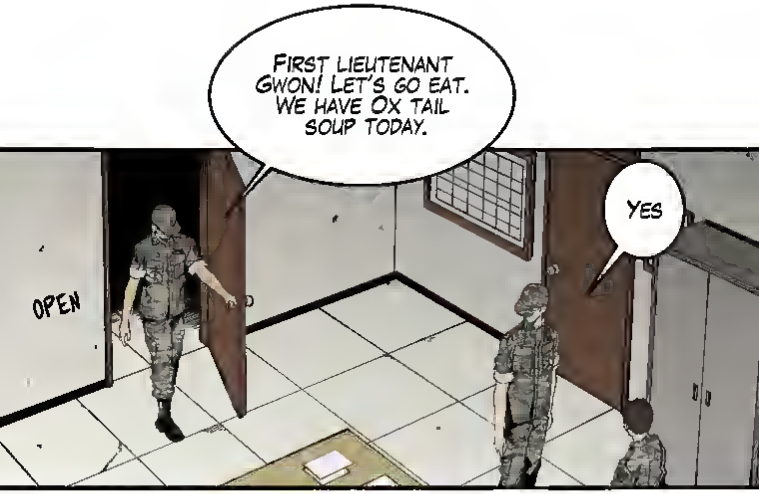
Ah... you were here, intelligence officer? I was startled.
You go to jail when you break the equipment. So handle it carefully.



Ah, and it doesn't have much battery power, so only use it when you can't use a camcorder.
Okay. Don't worry about it.

Anyway, you only know how to make power-points at your desk, could you manage in the demilitarized zone?

Hey~ I finished hell training with search unit.



First lieutenant Gwon! Let's go eat. We have Ox tail soup today.

Chan Soo keep doing camera test. There shouldn't be any trouble with the gear.
